

## REMARKS

In the Office Action dated April 18, 2007, the Examiner rejected claims 1-5 and 54 and objected to claim 6 and 7. Applicant has amended claim 1 to include the subject matter previously found in claims 3, 4 and 6, and amended several claims to adjust dependency. Thus, claim 1 and all claims depending therefrom should be patentable.

Claims previously indicated as "Withdrawn" which the Examiner has found allowable have been redesignated "Original". The remaining "Withdrawn" claims have been canceled.

Claim 54 was amended to delete a surplus word.

In light of the amendments, Applicants submit that the Application is in condition for allowance. Counsel requests that the Examiner call Randall B. Bateman at (801) 533-0320 regarding any further concerns with the application.

The Commissioner is hereby authorized during the entire pendency of this application to credit any overpayment and debit any amount owing, including fees for extensions of time, to Deposit Account No. 50-2720.

Sincerely,

BATEMAN IP LAW GROUP
